Bend residents have been clamoring for an opportunity to discuss the new shelter code changes in a forum that allows them to hear the facts and ask questions. In response, Bend residents, collectively, are hosting Town Hall Meetings with panelists.

The objectives are to:

- **Educate** Bend residents on the proposed shelter code changes
- **Describe** programs that successfully serve the houseless
- **Discuss** with the panel their expectations related to proposed shelter code changes
- **Engage** in productive dialogue via Q&A with the panel

Panel of Speakers:

- Deschutes County Commissioner: Patti Adair
- Bend City Councilor: Megan Perkins
- Bend Chief of Police: Mike Krantz
- Houseless Service Provider: Alan Evans (CEO Helping Hands Re-Entry Org)

~Hosted by Neighborhood Associations and BendCares
(a group of caring Bend residents)
