

April 20, 2022

Dear Neighbor/Property Owner:

AKS Engineering & Forestry is holding a neighborhood meeting regarding the Talline Tentative Phased Subdivision located in the Talline Master Plan area abutting the north side of NW Shevlin Park Road near the intersection of NW Shevlin Park Road and NW Skyline Ranch Road. The Tentative Phased Subdivision will create lots for future residential, commercial, and open space uses on ±74 acres within the Talline Master Plan area.

Due to social distancing measures and the inability to meet in person, this meeting will be held via telephone and online Zoom “webinar”. The City of Bend Community Development Department approves of this means of holding the required public meeting.

The meeting is scheduled for:

**MONDAY, MAY 9, 2022 AT 5:30 PM
SEE ATTACHED INSTRUCTIONS TO LEARN HOW TO JOIN THE MEETING**

Pursuant to BDC 4.1.215, you are receiving this letter because you are listed as the owner of property within 500 feet of the subject property. The purpose of this meeting is to provide a forum for neighbors to review and comment on the project before the application is submitted to the City of Bend.

Please note this will be an informational meeting based on preliminary plans. These plans may be altered prior to submittal of the application to the City of Bend. Depending upon the type of land use action required, you may receive official notice from the City of Bend inviting you to participate with written comments and/or providing you an opportunity to attend a public hearing.

We look forward to discussing this project with you. If you have questions, but will be unable to attend, please feel free to contact me at shearerj@aks-eng.com.

Sincerely,

AKS ENGINEERING & FORESTRY, LLC
